TO WHOM IT MAY CONCERN:

The Institute for Law and Policy Planning (ILPP) has just completed a Corrections System Strategic Development Plan for Caddo Parish and the work was excellent. ILPP was extremely responsive, objective and timely.

Considering that ILPP conducted a needs assessment, an overcrowding analysis, and then a master plan and pre-architectural program, their work was extremely cost effective. ILPP has moved quickly to solving our jail crowding problems.

We are considering a second contract with ILPP to look further into master planning all Caddo Parish facilities.

Yours very truly,

  
Francis P. Bickham  
Caddo Parish Administrator  
and Chief Executive Officer
